## Announcement

Office of the Health Insurance Commissioner

Open Forum for Public Comment on Proposed  
Commercial Health Insurance Rate Factors

6:00 pm. June 15, 2009

Rhode Island Public Utilities Commission  
89 Jefferson Blvd, Warwick, RI

On May 18, 2009, the Office of the Health Insurance Commissioner (OHIC) released information concerning proposed rate factors to be used by the major licensed commercial health insurers in the State of Rhode Island in calculating their premiums for the large and small group markets. (Copies of relevant information available at <http://www.ohic.ri.gov/2009%20RateFactorReview.php>) While the original written public comment period was to have concluded on June 5, 2009, OHIC has extended the public comment period and will conduct an open forum at the above location and time to collect oral and written comment. Public input is solicited. After a brief opening statement by the Commissioner, public comment will be collected in the order of sign-up at the meeting (no reservations accepted). Written copies of oral comment are not necessary but appreciated.

The Public Utilities Commission Building is handicapped accessible. Appropriate accommodations will be made for those with disabilities seeking to offer comment. If you need further assistance please call 462-9517
